DÉCLARATION AS SUPPLEANT / MAÎTRE DE CONFÉRENCES

I, the undersigned,

Declare that I have taken good note of the following particularities concerning the post of Reader:

- as it is a supplementary post, it is paid in proportion to the number of hours worked per year. No (salary) scale for length of service is therefore applicable;
- as regards the pension, this is proportional to the services rendered and is payable by the Office National des Pensions for the private sector (ONP). In other words, it is identical to the private sector pension and does not provide entitlement to any pension beyond that required by law or to a pension payable by the Public Treasury.
