Applicant self-assessment: Overview of courses, per domain

To demonstrate that you have acquired the necessary knowledge, skills, and attitude to successfully complete this programme, please give an overview of the courses you have already followed in three domains: Architectural Design, Construction / Engineering Sciences and Architectural Sciences.

For each course, provide the title of the course (in English), the level (e.g. 1st year, 2nd year or 3rd year), the number of credits (please also indicate which credit system you are using, e.g. ECTS or US credits) and the grade (also indicating the grading system, e.g. x/20 or GPA).

Please only include relevant courses in this overview. For the other courses, the transcript of records will be assessed.

The information that you provide in these tables should be identical to the information that is mentioned in the official transcript of records. Any errors can lead to a rejection of the application.
